5. Other business.

Library of Congress has indicated willingness to prepare Chapter VIII, Cities and Towns, if funds for additional personnel can be made available. Col. Poole agreed to contact POLEG, G-2, to determine whether such funds are available from MIS.

The Executive Secretary stressed the need for additional personnel for JISPB. Eight (8) additional editors are required if a schedule of six (6) JANIS a year is to be maintained.

Lt. Col. Atkinson brought up question of successor to Lt. Comdr. Quam. Col. Poole indicated military status was required. Lt. Comdr. Quam urged that consideration be given Majors Lynn and Rasche, A-2 officers long affiliated with JISPB.

Dr. Meigs urged every possible effort be made to obtain funds for Library of Congress in order that chapters for current issues might be processed without further delay.

Col. Poole suggested that further effort also be made to get State Department to undertake Chapter VIII, Cities and Towns, indicating that it is a logical contributor of this chapter.

There being no further business, meeting was adjourned.

Louis O. Quam
Executive Secretary
